April 12, 2006

Dear Deborah,

Just a reminder we DO NOT meet this Sunday because of Easter - Resurrection Sunday!!! We will meet again April 23, 2006, at 4:00 p.m. at the same location!

THE CELEBRATION OF CHRIST'S RESURRECTION

What do we mean by the resurrection of Christ? Jesus Christ came into this world to die as our substitute for our sins. In the old testament, they sacrificed animals to role back their sins! The sinless Son of God came to give his life as a ransom for many (**Matt. 20:28**). On that first Good Friday, Jesus was crucified. We know he died because one of the Roman soldiers pierced Jesus' side with a spear to ensure his death. Some of his disciples then buried his body in a new tomb (**John 19:30- 42**).

Since Jesus died for our sins, He made a way for us to go through Christ to be forgiven when we sin. The problem is that we still have the accuser putting guilt and shame on God's people and some cannot believe they are forgiven.

The Court Room!

Every time we sin, Satan goes to the throne room of God with all these accusations and charges against you - especially your past mistakes. He has a stack of cases against you that goes from the floor to the ceiling and is now going to present them to the Lord to make you guilty of your charges.

Satan goes through the entire list of your sins to the Lord and the Lord is listening to the accusations of Satan. Then the Lord takes these cases against you and goes into his chambers to make a decision. When in His chamber, he opens the door and throws all these cases out because the word says when we repent, then it is forgotten as deep as the sea (**Micah 7:19**) or as far from the east to the west (**Psalms 103:12**).

The Lord comes out of his chambers and Satan asked the Lord "what is your verdict?" and the Lord answers "I don't know what you are talking about."

The Lord says to Satan "This person you are accusing is '**INNOCENT**' because she or he is my child. I have a purpose and a plan for this person." "This case is **DISMISSED**," says the Lord.

East will never meet West and that is why David says: "As far as the east is from the west, so far has He removed our transgressions from us" (**Psalms 103:12**). Our sins have not just been taken away but they have been removed an infinite distance from us. As much as East and West cannot meet, so much will our forgiven sin never be confronted by them again once they have been dealt with by the Blood of the Lamb. When children have done something wrong, they instinctively try to hide the evidence instead of going to the Lord and asking forgiveness. That is what the sacrifice of Jesus was for us so that we can go to the father through Jesus Christ for the remission of sin, the Lord has removed our sin so far that they will never return to haunt us.

"You will cast all our sins into the depths of the sea." (**Micah 7:19**). At its deepest point, the sea is seven miles deep. It would be impossible to bring things up from that depth and it is so far from the light of the sun that whatever is down there will never be brought to the light. Praise the Lord; He has put our sins down in the deepest, most inaccessible place known to man! (We know, of course, that our sins are not literally down there, but this is simply a picture to show how far removed our sins are).

"Behold! The Lamb of God who takes away the sin of the world" (**John 1:29**). He takes it away – it is gone – never to be brought back, found or even remembered.

If the enemy tries to accuse you again after you have repented, tell him you are forgiven and fight with fire by reminding him his ending – **SATAN CAST DOWN** – (**Rev. 12** Verses 7, 8, 9): "And there was war in Heaven: Michael and His angels..." "Neither was their place found anymore." "And the great dragon was cast out, and his angels with him." These verses depict the battle in Heaven which ended in Satan's defeat. (**Isa. 14:12, Eze. 28:16-17, Luke 10:18**)

TRUE WORSHIP

"Be still and Know that I am God" **Psalms 46:10**

True worship comes by sitting and abiding at the foot of Jesus in HIS throne room to receive strength, anointing and direction for every area of our lives. This week take time to sit before our Heavenly Father to receive from HIM!!

John 4:21-24, John 15

Testimony sent to us March 4, 2006

God's blessings upon you,

An all Loving Spirit woke me up at 4:40ish this morning because He had much to reveal and found no reason to wait. How cute is that? His joy and excitement to be with me instantly filled my heart with Love for Him and gratitude for everything. It is such a privilege to awake every morning longing for my time of praise, worship, prayer and meditation upon His Word.

It was only a couple of months ago overwhelmingly trapped in sin, sickness and disease watching TV the idea that all my problems stemmed from the father fracture and Father God healing my heart was the only solution. So I prayed... Weeks later, still in my little apartment, still all by myself I heard a testimony of someone "delivered" from a spirit of timidity. This time I fell on my knees - not even sure how exactly this "deliverance" business worked, but I was convinced I needed it. A little more time passes and Kim and Maddy come home from GA. with a manual on healing the broken heart and deliverance from fear. (A More Excellent Way). They also had some contact numbers, but we needed to just see if we were going to survive 2005 before getting our fix in 2006.

On January 15, our first visit to

biologically, spiritually and from your soul level.

- What stress does to our bodies long term - an introductory teaching on fear, stress and physiology!
- How to walk out of your fear.

If you come regularly to the meetings and missed last week, you can go to <http://www.journey2wholeness.org/teaching/teaching.html> to get the teaching on fear. If you come regularly and have not subscribed for your own personal password, please do so. If you never have come, I cannot let you have rights to the teaching site.

On April 23, 2006, we will continue with the teaching of Fear, Stress and Physiology!

Kingdom Harvest Church Jane gave me a better rhyme. Pick up sticks in 2006 - I began rubbing the stick of faith with one of obedience and a fire sure enough started. The healing Hand of the Lord God Almighty began doing some deep, deep work and pretty soon I was up dancing in the aisles. And Praise the Holy Name of Jesus, on this past Tuesday morning Jehovah Shalom told me to stop praying that my heart be healed but rather accept the promise that God Is my Heart and expect that through His Righteousness and Sanctification that I am receiving the confidence to claim the authority of the Blood of my Lord Jesus Christ to demand His Spirit manifest and demonstrate God's Love in my life.
