TESTIMONY OF THE WEEK!

A More Excellent Way Healing Testimony From Gloria Hart!

In February of 2005, my dear friend Deborah Massey called me and asked how I was doing. I explained to her that I was still dealing with dystonia disease, which manifested as Blepharospasms and Meige Syndrome. I explained that about every 90 days I would have to receive about 15 injections around each eye from a neuro ophthalmologist and another 30 injections in various places on the sides of my head as well as my neck from a neurologist, both wonderful doctors at UT Southwestern Medical School in Dallas, Texas.

This was all the medical profession knew to do for me. The injections worked to some degree, but I was pretty much homebound because I had become too fearful to drive much more than a 7-mile radius from my home because my eyes would spasm and close, sometimes even with the injections. Aside from the injections being extremely painful, the disease in itself was painful, to the extent that at the end of the day my eyes, face and neck muscles would be so stressed that I could not wait for sleep to come and then look forward to another day of the same.

QUESTION: How do we stay free?

ANSWER: The same way you became free is the same way you stay free!

"Submit yourselves therefore to God, resist the Devil and He will flee".

(James 4:7) When we walk in truth according to the scriptures we are submitting to God. Jesus said in **Matthew 22:38-40** and in I, II, II John of the bible, that the two commandments are "**love the Lord our God and Love our neighbor**". **Result:**

- We wouldn't want to covet the neighbors wife,
- we wouldn't want to steal,
- we wouldn't want to take God's name in vain, etc.
- if we do fail in these two areas, we can go to Him without fear, condemnation or guilt and receive cleansing of our hearts. **He asks us to come boldly** to His throne because He loves us. When we can have that kind of relationship with God, we are submitting. When we submit to God, we are resisting the devil! Then of course if the devil cannot get to you, he flees!

To fear God means to HATE EVIL (Proverbs 8:13)

Proverbs 16:24: "*Pleasant words are as honeycomb, sweet to the soul and health to the bones*" (Not only to others but for yourself. What are you speaking out of your mouth?)

- **Matthew 26:41** "Watch and pray that ye enter not into temptation: the spirit indeed is willing, but the flesh is weak."
- **Proverbs 28:16:** "... but he who hates covetousness (sins) shal prolong his days."
- **Proverbs 28:18:** "He who walks uprightly shall be safe"
- **Matthew 8:8:** "...speak the word only and thy servant shall be healed" (This indicates to me to keep speaking truth, the word of God only! Positive confession)
- **Ephesians 6:11-18:** "Put on the whole armor of God, that ye may be able to stand against the wiles of the devil....."

- **Be not ignorant of the wiles of the devil. (II Corinthians 2:11)**

Remember that offense is the #1 root plaguing God's people today. When someone attacks you, remember it is not them, but the sin within them (Romans 7:17). Separate them and be fast to forgive them. I heard a man say "forgive before the crow gets cold." Meaning, be fast to forgive. Don't let the enemy get a foothold and get you to play the event over and over in your mind. That is an OPEN DOOR to many manifestations. When we truly forgive, your heart will change!!

If you do fall into an offense with someone else, confess your sins, which may be comprised of the "wiles" of the devil, you now recognize them so when they come at you again, you can resist by the Word of God. Speaking Truth only. Believing Truth only. Because you know what is NOT truth.

Keep our thoughts captive under truth. *Casting down all imaginations that exalts itself against the knowledge of God. (II Corinthians 10:5).* The enemy likes to throw our past at us consisting what others have said. Who are you going to believe - God's Word or the devil who knows what others have said! Taking thought captive is choosing not to believe those lies from the enemy. It is Choosing not to replay but stopping those thoughts and applying the Word of Truth over your life.

(Phillippians 4:8) "Finally brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, if there be any praise, think on these things. AND those things which ye have both learned, and received, and heard, and seen in me, do, and the God of peace shall be with you."

What comes out of your mouth? A Good Report or a Bad report? Don't fall into gossip or say negative things. Some of you have been healed. The enemy likes to throw symptoms. Don't say, "I have arthritis today" instead say "I have symptoms but I'm not receiving it". Stand in your healing!! The enemy wants to you become one with symptoms of

diseases because what we believe, our mind and body lines up to it!

When you sin, don't run from God, run TO Him. We need to trust the Love of God is unconditional for us. All He asks is that when we do sin or make a mess of things, come to Him with our "rap sheet" seeking His forgiveness in Spirit and in Truth.

If you do all you know to do by following the guidelines in this teaching, prayed to God for wisdom, strength and discernment and you don't see results right away, this doesn't mean you are to run into doubt, fear or go into unbelief. It means you need to be diligent and stand!

How long have you waited for the healing?

Healing takes time and patience. Once you've done all you know, let God now do the part He has promised you in HIS timing. You need to believe God is healing you. Don't lose hope! He cannot do anything with us without our faith. It is impossible to please God without believing Him. Hebrews Chapter One.

Give up to God = holiness

Give up to self = sin

Some of you are are still standing for healing. When you come to the Disease Profile class, come expecting healing! Jesus came to heal ALL disease! Some healings take time so don't be discouraged!
