Tests of the Heart

Tests of the Heart

Remember how the Lord your
God led you all the way in the
desert these forty years, to
humble you and to test you in
order to know what was in your
heart, whether or not you would
keep His commands. - Deuteronomy 8:2

Has God performed a heart test on you lately? There are
times in our lives when God leads us into the desert in

order to let us find out what is in our heart. These times can be very difficult ...

Guess Who's Coming to Texas?!!

Yes! Pastor Henry Wright is doing a conference in San Antonio, TX. I highly recommend going to hear him speak. He is speaking less and less in the US these days. He has trained others who are traveling the United States as Pastor Henry is now global, international and in high demand. After teaching the principles of "A More Excellent Way" for 25 yrs. in GA. and around the nation. Many countries are calling him to train and equip their staff. Uganda brought many principle leaders of the government and health care for training. He did the same for South Africa, and many others countries.

It will be worth your time to make this trip to hear him teach first hand. I went to New Mexico and it was well worth the trip. Why not carpool, and carvan down? Anyway, here is a link to read more about it. Take those who you know are sick and busted, exhausted. Tell your friends and family near the area. They truly will be blessed!

The New Age Assault On Christianity

What bait can the devil possibly have used to draw Bible-believing, Holy Ghost-filled believers in the Lord Jesus Christ into blatant, anti-Christ, New Age occultism?

Come and hear the origin of the movement. Find out the agenda of the New Age Movement of today and find out how it is influencing your church. Most Christians are scarecely aware of what is happening or understand the issues.

Did you know Satan's ultimate Goal is to lead churches into a great apostacy in preparation for the appearance of the Antichrist, so that he will be accepted as the Messiah by both Christians and New Agers alike. Their plan was to weaken the doctrine of Christiainity by removing slowly from our vocabulary - sin and repentance.

Have you heard sermons on TV on positive thinking? How about self-improvement psychology for fully realizing human potential. Did you hear anything about repentance? Did you know that is New Age modalities? Did you hear anything about repentance? I doubt you did! Find out how Positive Thinking or "Positive Christianity" has no room for sin, repentance that it is occultism dressed in Christianity language.

Come and learn how this is happening - who is behind these movements, learn to recognize it, and stay away from it. I assure you after this teaching, your discernment will increase leaps and bounds. When you learn to recognize it, then you will see how it is taking over America through the church and seducing your children.

Please make sure you **active members** retrieve the information to help prepare you for this week's teaching.

The Redemptive Names of God!

This week I want to focus on Jehovah Rophi- He is the one who healeth thee.

The coming weeks we will focus on one Name of the Lord. Through studying His Names and their meanings, we can learn the keys to tapping into His infinite supply of energy and find stability during even the most adverse situations.

Jehovah Rophi - The Lord Our Physician

(Exodus 15:25, 26) From Israel, we learn that in times of sickness God heals, for He is our Jehovah Rophi, "I am Jehovah thy healer". To express God's grace in restoring spirit life, He declared that He healed all of our diseases, spiritual as well as physical. (Psalms 103:3)

He also heals the broken in heart

(Psalms 147:3), and for those who are backsliding, He is their healer as well (Jeremiah 3:22). The scriptures also clearly indicate the removal of bodily infirmity (Genesis 20:17; Matthew 4:23).

God's Word is like medicine. When you take His Word, you are taking in health. That is why God told his people to harken to His Word. God wants His people to be full of His own Life. You may believe in healing but you must **receive** your healing!

Exodus 15 says that you will not have the diseases of the world if you will read and meditate upon His Word. He was saying Egypt is full of diseases, full of idolatry (ANYTHING you rely on, depend on, lean on, look too, other than God) but if you will harken to My Words, because I am the Lord your health! **I am your JEHOVAH ROPHE!**

If we are going to the lesser (man's ways, man's doctrines, beliefs- demons and doctrines of demons) RATHER than the Greater- Jehovah! then we have chosen death, not life, cursing, not blessing! So he will step back like in the life of Saul and let you have your ways and let you be sick.

Remember the enemy gives with one hand but TAKES with the other. Its a never ending vicious cycle!

It is NOT God's will for us to be sick to begin with. He is the same yesterday, today and forever. Its not just old testament. We can be well today. Jer.30:17, Matt 4:23, John 4:13,14, Rev. 22:17.

Have you received Him as the Lord, your health?

In Him, Jehovah Rophi
Deborah

*Wow. Our first week of Occultism did stir up the room! So much so that I did not get to finish all that I had to share with you. But we will get as much in the next 2 wks. as we possibly can. **Active members, don't forget to retrieve your information and begin to prepare for this week.***

*We are gearing up for the next cycle soon, so spread the word to New folks that need this teaching. Hearing the whole teaching through is what is going to bring you the **FREEDOM** you seek. The book is only the beginning as many of you have discovered. ;-)*

*Lets break off those strongholds and **be in health!** We love you and hope to see you **Sunday!***

**Jehovah Rophi,
Deborah**
